

INDUSTRIAL RAILWAY SOCIETY

Founded in 1949 as the Birmingham Locomotive Club – Industrial Locomotive Information Section

Thank you for your interest in membership of the Industrial Railway Society, which caters for enthusiasts interested in privately owned locomotives and railways at home and overseas. Two levels of membership are available, as set out below, and it is also possible to be a **Subscriber Only** to the **Industrial Railway Record**. Full members will receive four times a year the **Industrial Railway Record**, a profusely illustrated magazine; a bi-monthly Bulletin containing topical news; access to a well-stocked library; visits to and rail tours of industrial railway systems; a book sales service, many Society publications being available at discounted prices when first published; locomotive information service from the Society's team of records officers; and a photographic sales service. In addition, full members will receive periodic amendments to the Society Handbooks which, as well as covering certain areas of the United Kingdom, are available for a number of overseas countries. New books in both U.K. and overseas series are published from time to time, along with books dealing with specific firms, or locations. Bulletin Only members will **not** receive the Industrial Railway Record, but will receive all other facilities set out for Full members.

Membership rates are as set out below:-
